[redacted] Bosch exhorted the Dominican people to support the "constitutional" government headed by Francisco Caamano. Bosch stated that behind Caamano is "the will of the democrats and my political and personal desire to help him with the last drop of my blood." Bosch, quoting an editorial in today's New York Times, stated that the US is not omnipotent, though some Americans would wish it to be. He said that the Times "demanded the withdrawal of US forces as soon as possible in the name of the US people."
